Notes:

- Funded Hours are Flexible: All funded entitlements (570 or 1,140 hours/year) are calculated annually and can be delivered over at least 38 weeks and up to 51 weeks (stretched). This allows for fewer hours per week over more weeks, subject to provider capacity. Hours cannot be condensed below 38 weeks.
- Monthly Payments: Fees are calculated across 51 weeks of the year and averaged into 12 equal monthly payments. Monthly payments remain payable in full for bank holidays, public holidays, and inset days. HappyWoods Nursery is open 51 weeks of the year.
- Funding: 30 hours for 38 weeks a year childcare for children aged 9 months to 4 years for eligible working families. 15 hours for 38 weeks a year childcare for all families in England for children aged 3 to 4 years. 15 hours for 38 weeks a year of early learning for 2-year-olds for families in England who get extra support, like those on Universal Credit or children with an Education, Health, and Care Plan. Check eligibility via HMRC (working parents) or local authority (disadvantaged/foster). To confirm your eligibility for any Early Years Funding Entitlements, please visit www.childcarechoices.gov.uk.
- Transparency: Funded hours are completely free of charge. Any voluntary essentials (e.g, meals, enrichment programmes, trips & consumables) are itemised separately on invoices.

  Opting Out of the Voluntary Essentials
  - Parents who choose not to take up the essential items may be required to provide suitable alternatives and speak to the Nursery Manager for further guidance.
  - The Government guidelines state that funding is not intended to cover the costs of meals, other consumables, or additional services, and therefore, we have to charge a voluntary consumable fee to cover all the additional aspects of nursery life at HappyWoods Nursery.
- The nursery is open 51 weeks a year. We close only between Christmas and New Year and on Bank Holidays, and for a maximum of three in-service training (INSET) days per year. This gives us the time required to train staff to the highest possible standard, ensuring best practice for your child and ongoing CPD (Continued professional development).
- Monthly fees are calculated using the following calculation:(Weekly Booking × 51 weeks) ÷ 12 months = annualised monthly invoice amount.
- Nursery fees are based on the opening hours of 7.30 am - 6.00 pm for full days, and 7.30 am - 1.00 pm or 1.00 pm - 6.00 pm for half days. Places are subject to a minimum of 4 sessions of attendance per week (2 full days).
- A non-refundable registration fee of £100 applies to all wraparound care bookings.
- We require two full calendar months' notice in writing should you wish to reduce sessions or if you no longer require the place.
- As per our terms and conditions, we reserve the right to charge interest on late payment of fees at an administration charge of £25.00. Children may be excluded from the nursery if fees remain outstanding for more than 7 calendar days.

- Please speak to the Nursery Manager regarding your specific nursery pattern attendance for your little one and to arrange a nursery tour to our amazing nursery.
